(continued on back)

I valued:

- Gaining knowledge and new perspective about working together to problem solve with what's ahead, a great start!
- The question and answer section
- The passion that this group has to protect and promote early and middle college initiative to better assist students
- The networking
- Collaboration
- The connection with other schools
- Meeting individuals with a similar vision
- All the effort and input
- Learning about pending legislation
- Communicating with challenges and sharing ideas and practices
- The person who organized (April) ran smoothly
- Every issue was pertinent
- The collegiality wonderful hosting job! Thanks for vegetarian option!
- Sharing ideas networking legislation update
- Meeting other EC people
- Meeting everyone and being part of it
- The lively conversation the sharing of programs and practice

I suggest:

- Having a time to meet with colleague's from the same department. Ex. Principal collaboration counseling collaboration, set up and agenda/goals of list of prioritize
- More sharing of how each school functions since we all do things differently
- Email list to everyone of names and contacts info survey i.e. Block schedule, priority registration, cost, best practices
- Also the Likert on other side needs to be changed to be more intuitive minimal useful is not more useful than useful
- 2-3 meetings per year
- Getting more school representatives to attend
- Time to network
- Tighter organization
- Leadership council should take recommendation about "mission statement " revised the statement then send to members for review and acceptance
- Webinar formats would be very valuable
- We continue moving forward
- More time for one to one meeting with
- Common website Facebook etc.
- Looking forward to break out groups, sharing contact info amongst all schools so we can contact each other
- The information and discussion
- Refine the conversation next time focus

My next steps will be:

- Continue to be a part of this coalition and motivated to be part of the movement
- To get better idea of the SB's and AB's mentioned
- To become more involved to not be an island to assist others to strengthen our partnership
- Sharing w/staff
- Identify how I can contribute to the group and what our needs from the group are
- Motivation contact retire
- Inviting local legislations to visit our program
- Sharing this information with my principal and connecting with my local early colleges
- To fully support and participate in CCEMC activities
- Invite my college partner
- Dialogue w/college dean regarding streamlining registration process
- I'm willing to be on a promotion committee
- Share info with staff
- Adding collaboration time
- Connect with more programs

CCE&MC Next Steps: What would you like to see in future CCE&MC events (topics, presenters, format)?

- Subcommittees to work on specific tasks and to bring advisory council to report out
- More time, great meetings I would suggest regional meetings for each study area policy practice and promotion
- College input and investment
- Could you send a copy at the PPT w/the logo or the new logo
- Invitations to college admin, today was a good starting point next meetings definitely need to from on moving forward
- More time to visit with person in my field
- Legislative update as a first item on each agenda w/resources legislation bills articles opinions. Celebrations (MCHS or CCEMC) to begin each meeting could involve a protocol
- Prof development
- Recruitment and outreach, continue legislative activity and update
- CCEM.org
- Counselor training, 4 year ed plan comparison, can we get a glossary of terms especially about legislation? Title 5, AB230, AB1316
- The items presented
- More engagement of community college partners

We appreciate your providing us the above information in order to improve our coalition!
